THE WEATHER.

The daily record of the thermometer in this city for yesterday, as kept at C. W. Brandon's drug store, was: 7 a. m. 52 degrees above; 12 m., 72 degrees above; 4 p. m., 76 degrees above; 8 p. m. 72 degrees above.

ABOUT THE CITY.

P. J. Brophy came down from Butte on business yesterday.

All cows found on the streets after June 1 will be impounded. By order of Chief of Police Fagan.

S. B. Calderhead, general passenger agent and auditor for the Montana Union, was in the city yesterday.

Seats are now on sale at the Smith Drug company's store for the Gus Williams performance to-morrow night.

John Maguire, Butte's energetic theatrical man, was in the city yesterday. He came down with the Rhea company.

The Methodist conference of Montana meets June 23 in this city. Word to that effect reached Rev. Mr. Lowry yesterday.

Mrs. Henry Countryman of Still Water, is visiting her friend Mrs. A. L. Storey in the city. She will remain a couple of weeks.

The Montana Union will make a rate of one fare for the round trip for parties going to attend the Agnes Huntington opera.

W. B. Roberts and wife returned to the city yesterday after having spent a month at Great Falls. They will remain here the balance of the summer.

The W. C. T. U. will meet this afternoon at the usual hour, 3 o'clock, at the Presbyterian church. A varied programme will be rendered, and a full attendance is desired.

Rhea entertained a fine audience last night with a finished production of the play "La Carmine." Her support was excellent, and the star herself met the highest expectations.

The Anaconda band will give another dance at the park pavilion Sunday afternoon and evening. The last dance was such a success that all who attended it will want to go again.

A general lacrosse practice will be held on the grounds south of the Baptist church to-night. The boys who are in possession of uniforms are requested to wear them on the occasion.

The citizens in the immediate locality of Wednesday's fire on Chestnut street are still of the opinion that it was the work of youthful incendiaries. An attempt is being made to locate them.

Great interest is being manifested in the Lee-Turner sparring contest which takes place at the park on Tuesday evening next, on the occasion of the opening of the gymnasium. The men are doing good training and both claim to be in the finest condition. Those who are fortunate enough to see the contest will see a good exhibition of the manly art.

On Wednesday Byron Hayer bought about \$20 worth of goods of John Claybough, tendering in payment a check for \$50 drawn on the First National bank by George Lindoff. Mr. Claybough paid Hayer the balance, \$30, in cash and Hayer went off, saying that he would call for the goods. He did not call, however, and Mr. Claybough, becoming suspicious took the check to Mr. Lindoff, who pronounced it a forgery. Hayer has not yet been caught.

Among those registered at the Montana yesterday were the following: Mile Rhea and companion, together with 12 other members of her company; Frank Anderson, Denver; A. H. Freecott, Helena; C. D. Hoffman, San Francisco; F. J. Lyons, Butte; S. B. Calderhead, Butte; C. H. Gillette, Chicago; J. M. Moore, Ogden; J. E. Oppenheimer, Butte; P. J. Brophy, Butte; J. W. Clark, New York; J. Maguire, Butte; M. Donohue, city.

Gus Williams.
 The stage is not too rich in able exponents of the American German character or dialect, and perhaps this is another reason for the success and popularity of Gus Williams. His "Albert Keppler" is always sure of a hearty welcome wherever it is presented, and his cordial reception everywhere is only another endorsement of the fact. The drama, with its alternation of clouds and sunshine, its soaring sentiment and pathos, its odd personalities and final happy ending, is studied and enjoyed with the deepest interest. Leading off with the great Gus himself, the cast is in excellent hands and the whole performance thoroughly pleasing. "Keppler's Fortunes" will be the attraction at Evans opera house to-morrow evening.

Attention! Knights of Pythias.
 All members of Montana lodge No. 13, K. of P., of Anaconda and visiting Knights, are requested to be present in the Standard hall on Sunday afternoon at 2:30 p. m., by special request of MEMORIAL DAY COMMITTEE.

HOWARD AND BRENNAN.

They May Get Together For a Hundred Yards Dash.

Frank Howard was seen yesterday regarding the challenge issued to him by Brennan, trainer of the upper works hose team. According to the challenge which appeared in yesterday morning's STANDARD Brennan is very anxious to arrange a match with Howard. Howard said he had read the challenge, but was at a loss to know on what grounds Brennan had based his opinion of him as a windy sprinter. He said he was not aware of ever having done any unnecessary blowing, and thought Brennan was sore on him because of the rivalry which exists between the two fire companies.

There are many who would like to see these men matched as they have been talking running for nearly a year. The following reply to the challenge from Howard's pen has been received.

To the Editor of the Standard:
 In the columns of your paper of May 26 I see my witty brother across the creek has something to say which troubles him vastly more than it does me. He has evidently been misinformed by "ye local tin horns." I did not bring any Kansas City cyclone out here, neither was I aware of making any undue noise, but I did say and still say I can beat Thomas Brennan 100 yards under the exceptions of his first verbal challenge to me several days ago.

F. C. HOWARD.

Anaconda, May 25.
 When asked what was the nature of the first verbal challenge offered by Brennan, Howard replied that on Saturday last a gentleman called on him saying that Brennan was anxious to run him 100 yards, giving him 10 feet start, for a wager of \$100; \$50 of which was to be deposited with the STANDARD, the remaining \$50 to be put up when the articles were signed. Howard appears quite confident of his ability to defeat Brennan under those conditions, but says he is a poor man working for a salary, and consequently cannot afford to match himself. He says there are men here who have expressed a willingness to back him against any sprinter in the town, and if they have not changed their mind a match will be arranged. Howard will call on the men referred to and see if they are still willing to back him.

Howard said he had hoped, and is anxious, to meet Brennan in the race open to firemen at Deer Lodge on June 2. The upper works' man is an old-time sprinter, and is said to have a fast record, but he is comparatively unknown here as a runner. He is far from being in condition to run, weighing 215 pounds. He has not yet determined whether or not he will run at Deer Lodge.

NEXT SUNDAY'S GAME.

The Buttes and Carrolls to Play at Anaconda Park.

It is settled that a ball game between a nine known as the Butte club, not the state league club of Butte, however, and the Carroll boys will be played at the park on Sunday afternoon. A few days ago a letter was received proposing a game between the Butte team and the Anaconda ball toasters. As Anaconda does not possess a regularly organized nine and as the correspondence did not fall into the proper hands until a couple of days after its arrival, it was thought that no game would be forthcoming. James Hall, temporary manager of the Butte team, however, came down yesterday and arranged a match next Sunday. It did not take long to make the necessary arrangements with the Carroll boys. They covered themselves with glory in their game with a picked nine Sunday last, demonstrating the fact that they are a ball team of no mean order. The Carroll team will in all probability be the same as that of last Sunday. The Butte team will be captained and managed by J. Hall, who will also be found on second base. The team will be made up as follows: Kirby, c.; Hoskins, p.; M. Gleason, 1b.; J. Hall, 2b.; Nevins, 3b.; H. Ballinger, s.; McGee, r. f.; Evans, c. f.; Burns, l. f.; with Iverson and Sloan as substitutes.

Mr. Hall is an all-around ball player, having been an associate player of Judge Muldoon's and Johnnie Curran's of Butte when the trio held prominent positions on the original Nevada ball team. He is a thoroughbred "baller," and were it not for the fact that his shoulder is a little weak he would undoubtedly be playing on Butte's league team this year.

The management of the park has guaranteed the visiting team their expenses, and as that is all they asked the game will certainly be played.

HE HASN'T DECIDED.

Mr. Burkhardt Doesn't Know Whether He Will Sue the City or Not.

A rumor was current in the streets yesterday to the effect that H. T. Burkhardt, who was unfortunate enough to break his only leg on Sunday night, intended suing the city for large damages. Mr. Burkhardt informed a STANDARD reporter that as yet the matter had occasioned him no thought. He admitted that friends had suggested a suit, but said he would not investigate one if the city fathers would make a proposition agreeing to pay his expenses in making up an account of the accident. Lawyers have been heard to say that in their opinion Burkhardt has the surest kind of a case, but in view of even legal assurance of success he does not feel inclined to take action. He says he intends to make this city his permanent home, and as he expects to go into the grocery business on his recovery he does not desire to incur the ill will of anybody. His friends say he is foolish in that regard, as he is, mainly, according to their views, entitled to damages. They think he should sue because he has only one leg, and it will never be as strong as before. As to that nothing is definitely known, but there have been cases where such fractures were fixed, leaving the limb as strong as ever. Dr. McKenzie is attending the man with great care and the patient is getting along as well as can be expected. Though Mr. Burkhardt has only been in the city about a month he has made many friends.

Notice.

We desire to warn our patrons and the public generally against one T. J. George agent, it is reported to us is traveling through Idaho representing himself to be an agent of the STANDARD. He is not now nor has he ever been in the employ of this newspaper.

DEATH OF BEAULIEU.

He Suffered Acute Pain Until the Very Last.

After having suffered the most agonizing pain for 39 hours, August Beaulieu, the victim of Wednesday morning's fire died yesterday afternoon at St. Ann's hospital. The suffering of the poor fellow during the entire time was almost unbearable. He tossed and stretched continually on his bed, and death was indeed a great relief. For a time yesterday morning it was thought that there was a vague possibility of saving his life, but the attending physician was at no time very hopeful. Had he lived he would have been without his nose, one of his ears, and most likely the sight of both eyes. The unfortunate man when he heard these facts seemed reconciled to his fate. The absence of his daughter Rose, who left for Canada on Tuesday, at the time of his death troubled him greatly. Father De Siere administered to his spiritual wants. Friends are arranging for the funeral, which will be held to-morrow from the house in which he was burned, No. 416 Chestnut street. The sermon will be preached at St. Paul's church by Rev. Father De Siere. He was about 42 years old.

No word has yet been sent to his daughter, as she is still on the train, and it would be impossible to reach her before her arrival at her destination.
